### PROFILE

I am a Second year student at SRM Institute of Science and Technology currently pursuing a B.tech degree in Computer Science. I am a Frontend Developer, I have completed course in programming language (Skilled) like Html, CSS, JavaScript, Python and Arduino Uno. I am very passionate and I always look forward to learn new things and experience them. I believe in collaborative leadership and have experience leading teams from the front. My ethos revolves around smart work and unwavering loyalty to the organizations I associate with.
